

# Memory Box

(This station requires two people)

- Partner 1: Open Box #1 and look at the items inside for 10 seconds.
- Partner 2: Close Box #1 after 10 seconds.
- Partner 1: Tell partner 2 as many of the items as you can remember.
- Do this activity again with Box #2.  
Were you able to remember more items?  
(Partners switch jobs)

## Question(s)

Which box of items did you remember better?  
Explain how you remembered the items.
